Notes					

If your phone is out or you look at it during the course of class, you will receive an unsatisfactory score for Attitude/Behavior and Listening/Contribution.

If you fall asleep or you are looking at unrelated websites during the course of class, you will receive an unsatisfactory score for Attitude/Behavior and Listening/Contribution.

A note about late assignments: All assignments must be turned in. They will build on each other so skipping one and taking a zero is not an option. If we have made arrangements and you have been granted an extension, that extension date is the due date and it is no longer considered late. If I ask you to edit and resubmit you will be given a new due date for that resubmission.

Any class day that you receive an unsatisfactory score in any category a copy of this rubric with notes included will be sent to you in Google Classroom. You will be asked to respond with your comments as to how you plan to improve in that area.
